John,
I called you this morning to check in about the pilot study report. For planning purposes I was wondering if you have a submittal date yet for the EPA review draft. Lee will be retiring in the coming months so he is getting pretty busy finishing up work before he goes. I'd like him to be able to review this report since he was involved since the start of the study. I'm still planning to have Aaron King review it too.

I also want to talk about the PRGs update.

Please call, thanks.
Janette
